Quality Improvement Plan / GOALS

Based on Needs, Quality Evaluation, and Employee IDPDs LATEST UPDATE: October 2022
Goals set in Staff Meeting with input from all staff.

2021-2022

	Due By	COMPLETED
PRIMARY GOAL: Achieve a 4-Star or Higher Colorado Shines Rating	3/31/2022	postponed due to coaching issues
- Schedule the rating for Feb/March 2022	8/1/2021	scheduled then postponed
- Staff will complete PDIS training on ECERS-3	1/31/2022	1/31/2022
- Staff will complete training on trauma-informed practices	12/15/2021	12/15/2021
- Complete coaching in preparation for rating	2/28/2022	5/31/2022
- Complete administrative/evidence portion of rating	3/31/2022	postponed
- Expend necessary funds to update what needs updating	12/15/2021	5/31/2022
OUTCOMES: We spent 2021-2022 working hard to prepare for our ColoradoShines rating. We had frustrations as our coach was not certified until early in 2022, so we had to postpone coaching (completed in May) and the rating (now scheduled for October of 2022). We've studied, learned, spent, organized, labeled, prepared and hope we're ready!
